LETTER FROM IAPIP TO THE SECRETARY GENERAL
OF UPOV, DATED OCTOBER 23, 1970

We have the honor to ask you to oblige us by hearing our Association and consulting it in the interests of the protection of new plant varieties.

The aim of our Association is to study and protect everything relating to industrial property, that is, the creations of man and the distinguishing marks used by commercial firms in their business activities.

IAPIP, which was founded more than 70 years ago, groups almost 5,000 members from 70 countries. It encompasses 36 national groups and one regional group. The members of IAPIP are highly specialized practitioners from all parts of the world: IAPIP is therefore fully representative and well qualified to examine the problems at issue.

Accept, Sir, the assurances of our highest consideration.
