JOINT TRIAL ARRANGEMENTS

Memorandum prepared by the Secretariat of the Union

SUMMARY

This document contains information on the testing facilities made available by some member States to the other member States.

1. Under Article 30(2) of the Convention, special agreements may be concluded among member States with a view to the joint utilization of authorities entrusted with the examination of new varieties which must be carried out under Article 7.
2. The Council of UPOV has noted that for the species mentioned in the Annex the authorities of the member States indicated opposite each species have offered to make their testing facilities for the prescribed examination available to the other member States.
3. This document will be reviewed by the Council at each ordinary session.
