MODUS OPERANDI:

Independence:

The authors are independent in drafting the study, in the sense that the authors should not receive individual instructions from anyone and that the authors should be impartial and objective.

The five authors should draft one study and should follow a collaborative working method following academic standards. Following such standards, the authors should manage potential different perspectives or analysis and, if applicable, how such matters should be reflected in the study.

Having received the study, it is up to the WG-HRV to consider a possible follow-up and to request further guidance from the CAJ, as appropriate.

UPOV members are not bound by the content and/or conclusions drawn in the study.

Timeline:

The authors will be asked to deliver the draft study by latest February 28, 2025, for consideration at the seventh meeting of the WG-HRV, expected to take place in Geneva in March 20, 2025. The final version of the study to be delivered by latest September 1st, 2025.

- Travel expenses up to 5,000 Swiss francs in total for the 5 authors. The purpose of the travel could be to convene a meeting amongst the authors or to support travel to come to Geneva to present the findings of the study or any other unforeseen travel expenses.

The overall estimation of the cost to be shared as follows: UPOV regular budget would cover 30,000 Swiss francs and the Funds-in-Trust Agreement between the Government of Japan and UPOV (JP-FIT) would cover 25,000 Swiss francs.
