# INTERNATIONAL UNION FOR THE PROTECTION OF NEW VARIETIES OF PLANT

GENEVA

## ADMINISTRATIVE AND LEGAL COMMITTEE

Twentieth Session  
Geneva, June 17 and 18, 1987

### LIST OF THE ORGANIZATIONS TO BE INVITED TO THE THIRD MEETING WITH INTERNATIONAL ORGANIZATIONS

Document prepared by the Office of the Union

1. According to earlier decisions--noted at the thirty-fifth session of the Consultative Committee on April 2, 1987--the following international non-governmental organizations will be invited to the third meeting with international organizations:

AIPH	International Association of Horticultural Producers
AIPPI	International Association for the Protection of Industrial Property
ASSINSEL	International Association of Plant Breeders for the Protection of Plant Varieties
ICC	International Chamber of Commerce
CIOPORA	International Community of Breeders of Asexually Reproduced Ornamental and Fruit Tree Varieties
COMASSO	Association of Plant Breeders of the European Economic Community
COSEMCO	Seed Committee of the Common Market
FIS	International Federation of the Seed Trade
-	International Commission for the Nomenclature of Cultivated Plants of the International Union of Biological Sciences

2. These organizations have been consulted in the preliminary inquiry on the revision of the Convention, organized as a follow-up to the decisions taken in December 1986 by the Council at its twentieth ordinary session and the Consultative Committee at its thirty-fourth session, and in preparation for the nineteenth session of the Administrative and Legal Committee. Replies have also been given by the following international and national bodies, however:

- British Society of Plant Breeders Ltd
- CIPA Chartered Institute of Patent Agents of the United Kingdom
- GIFAP International Group of National Associations of Manufacturers of Agrochemical Products
- SEPROMA French Professional Union of Maize Breeding and Production

Those replies--and more generally the importance of the agenda item "revision of the Convention"--raise the question whether bodies other than those listed in paragraph 1 above should also be invited.

3. In order to give the Committee some guidance, the Office of the Union wishes to call attention to the following:

(i) In addition to the organizations mentioned in paragraph 1 above, the following international non-governmental organization has been invited to the 1978 Diplomatic Conference (but has not attended):

- IFAP International Federation of Agricultural Producers

(ii) In addition to AIPH, ASSINSEL, CIOFORA, COMASSO and FIS, the following organizations were invited by UPOV to the information meeting organized jointly by UPOV and WIPO on January 10, 1986:

- ABA American Bar Association
- AIPLA American Intellectual Property Law Association

(iii) WIPO invites the bodies listed in the Annex hereto to the sessions of its Committee of Experts on Biotechnological Inventions and Industrial Property. So far those bodies have delegated altogether some 20 to 30 persons to the sessions.

4. The Committee is invited to take the necessary decisions on the list of organizations to be invited to the third meeting with international organizations.
